## OWENS & MINOR GLOBAL EAST REGION

## OWENS & MINOR CUSTOMIZED PREMIUM READINESS FEATURES:

A. Air Expeditionary Force (AEF) Order Notification to Owens & Minor (O&M):

If orders are placed between 0800 and 1630, local distribution center (DC) time, Monday through Friday, non-O&M holidays, the requirement for 24-hour advance order placement notice is waived. For orders placed at all other times, the requirement for 24-hour advance order placement notice is maintained.

B. Customized on-hand reserve quantity reports, by Service:

O&M offers customized daily reports reflecting the reserve quantity by DC, by Service.

## C. Premium Delivery:

O&M offers next business-day delivery at no additional charge if the orders are placed during O&M's normal operating hours as described in A (above) and are to Routine Ordering Facilities (ROFs) traveling as O&M local shipments (within the DC's normal shipping radius). If AEF requires eight-hour delivery or if the non-AEF Services require premium transportation on Government carriers then the original contract terms apply.

## D. O&M Deliveries:

O&M will ship to local O&M DC delivery radius sites that are not official ROFs designated under the contract. O&M will ship to sites that are reasonable, available, and accessible in the judgment of O &M management. O&M will not be asked to ship to field sites where delivery trucks would not normally be expected to travel. These non-ROF deliveries will only be requested when the Service has already established a receipt process that ensures O&M will be credited with shipment delivery as promptly as with an ROF delivery.
